Commitment for boat owners

I hereby commit to respect the obligation to clean my boat(s) before navigating on Brome Lake (By-law 2024-05 on the Cleaning of Boats on Brome Lake).

By signing this commitment, I agree to inspect, wash, and dry my watercraft at a washing station recognized by the Town of Brome Lake before launching any boat on Brome Lake, and this, after having sailed on another water plan. I understand that this process is necessary to prevent the introduction of aquatic invasive species and to maintain the health of Brome Lake.

I understand that failure to comply with this commitment may result in penalties against me and have harmful consequences for the local ecosystem. As a responsible owner and committed citizen, I take this preventive measure seriously and commit to acting accordingly.
