## 2 REGISTER YOUR PROPERTY

Click on "Add a property", then select your address. You can group together several properties in your user account.

## 3 ADD YOUR TAX ACCOUNT

You will need your invoice number and the amount of the first instalment.

## 4 NO MORE NEED FOR PAPER!

Activate the "Receive my tax accounts online only" button, then accept the terms and conditions. You'll receive an e-mail when your bill is available online, and a reminder when due.
